## SCRAP ACCEPTANCE POLICY

To help ensure the safest and healthiest working environment for our staff and ultimately for our environment and our valued customers the following items are strictly prohibited from our facility:

- Sealed gasoline tanks
- Compressed Gas cylinders that have not been previously emptied and opened.
- Air bag canisters
- Water Reactive Metals
- Radioactive metals
- Ammunition shells or any explosive materials
- Mercury switches or other mercury bearing items.
- PCB's
- Asbestos Containing Materials (ACM)
- Oils, lubricants, fuels of any kind
- Fluorescent lights
- All radioactive materials or containers.
- Appliances must have all refrigerants, coolants and fluids properly evacuated prior to shipment to our yard.
- STANDARD INDUSTRIES complies with all local, state and federal regulations regarding the acceptance of all scrap materials. Proper identification is required for all transactions as is proof of ownership.
- Automobiles are accepted only with proper documentation and all fluids must be properly drained prior to delivery to our facility.

If you have any questions or concerns, please contact our office at the number noted above and ask for our Health and Safety Manager.
